

St. Francis Xavier School

Technology Order Form & Agreement

St. Francis Xavier School is offering families the option to purchase a laptop computer for their child(ren) to use in the classroom during the 2020-2021 school year. The laptop model we are ordering will be the standard school model we have been using at school, have available in classrooms, and what is used in the computer lab. At school, we have a limited number of devices to go around. Children who have their own laptop will be the only individual at school to use the device.

The model of laptop we use at school is a **HP Stream Pro 11 G5**

- Intel Celeron N4000 Processor—1.1 GHz; UHD Graphics 600
- 4 GB RAM—64 GB eMMC
- Wi-Fi and Bluetooth
- 2 USB ports, 1 HDMI port, and 1 Headphone/Microphone combo jack

- I would like to purchase _____ laptop computer(s) for my child(ren) to use at school during the 2020-2021 school year. (\$250.00 each)

Please list your child(ren)s name(s) and grade level(s): _____

- I would like to sponsor _____ laptop computer(s) for another child(ren) at St. Francis Xavier School. (\$250.00 each or another donation of your choosing)

Return this completed order/sponsor form and agreement to the school office along with your payment by Thursday, September 10, 2020.

Total Amount Enclosed: \$ _____ Cash or Check (# _____)

By submitting this order form and signing below, I understand with the purchase of this computer that it may include software licensed to the Public Schools of Petoskey, the technology service provider for St. Francis Xavier School. The licensed software has been made available for educational purposes only. The computer will be accessible for your child for in school use and for remote learning needs. At the conclusion of the school year, you will be able to keep your computer at home, and will have the option to have the software removed or to receive software updates to continue to use the computer as a school computer.
